Information about the FAFSA

When you enter the world of financial aid, it may sometimes feel as if you are floating in a sea of alphabet soup. But the five most important letters you need to know right away are FAFSA.

FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID)

This is *the* application for need-based aid. You must complete and submit this form in order to be considered for federal, state, and institutional sources of need-based aid. The form is available online at www.fafsa.ed.gov. You can also obtain copies from your high school guidance office or from the Hendrix Office of Financial Aid. Filing online will generate results much faster than submitting the paper form and will make reapplying in future years easier.

→ Your family, like the families of all college-bound students in the

country, should make it a priority to complete the FAFSA. Some families incorrectly assume that they do not qualify for need-based assistance and skip this important step. *The only way to make sure you are eligible to be considered for need-based assistance at Hendrix is to submit a FAFSA.*

EFC (EXPECTED FAMILY CONTRIBUTION)

After you submit the FAFSA to the U.S. Department of Education, you will receive a Student Aid Report (SAR) that includes your *Expected Family Contribution (EFC)* figure. Calculated from data in your FAFSA, the EFC is the figure the government estimates you and your family can contribute toward your college educational expenses. The EFC *does not* represent a set dollar amount. Instead, it serves as a leveler in determining the types and amounts of aid for which you qualify. It doesn't matter if the comprehensive fee of a school is \$20,000, \$30,000, or \$40,000 – your EFC remains constant.

→ If you file the FAFSA online, you will receive the SAR with your EFC determination more than twice as fast as you would if you submit a paper form. The online FAFSA also has an error-checking function that will help you complete the form as accurately as possible.

THE BASIC FINANCIAL AID EQUATION: COA – EFC = NEED

The “price” of a Hendrix education is our comprehensive fee (tuition, double occupancy residence hall room, unlimited board plan, and mandatory fees). Recognizing there are other expenses involved in attending

college such as books, supplies, travel, health insurance, laundry, and personal expenses, we also calculate a yearly *cost of attendance (COA)* budget in order to account for these areas. Your “demonstrated financial need” is the difference between the Hendrix COA and your EFC.

→ Hendrix will conduct its own analysis of the information you provide in the FAFSA. Sometimes we may request additional documentation, such as tax returns. You can also ask us to consider financial circumstances not reflected by your FAFSA data, such as unusual medical expenses; loss of income caused by job loss, divorce, or death; or tuition for private secondary schools. If you are asked to submit tax returns or other documents to the Office of Financial Aid, please do so promptly. These are required for some applicants according to federal, state, and institutional policies.

TO FILE THE FAFSA ONLINE:

www.fafsa.ed.gov

Don't forget to get your PIN numbers at this site – one PIN for each student and a different PIN for parents.

PROMPTNESS PAYS – EARN A HENDRIX GRANT BY FILING THE FAFSA EARLY

Any accepted Hendrix applicant who files the FAFSA by February 15 automatically receives an aid package with a \$1,000 grant that is renewable if the FAFSA is filed each year by February 15.

Need-Based Financial Aid Programs

FEDERAL AID

Grants

- **PELL GRANT:** A federal program that provides grants of up to \$5,550 per year depending on need. Application is made through the FAFSA.
- **FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT:** A program for students who demonstrate exceptional financial need. Recipients must also be eligible for a federal Pell Grant.

Loans

- **SUBSIDIZED FEDERAL STAFFORD LOAN:** This need-based loan program is subsidized by the federal government, which pays the interest on the loan until repayment begins six months after graduation or after cessation of at least half-time enrollment. The interest rate is fixed at 4.5%. The maximum loan is \$3,500 for first-year students; \$4,500 for second year; and \$5,500 each subsequent year, up to \$23,000 over a five-year period.
- **FEDERAL PERKINS LOAN:** A long-term, need-based, low-interest (5% per annum) loan program. Interest does not begin to accrue until nine months after you have graduated or ceased to be enrolled at least half-time.

Other Need-Based Federal Aid

- **FEDERAL WORK-STUDY (FWS):** This federally subsidized program provides funding for employment to students who demonstrate financial need. Eligibility does not *guarantee* employment but does give students the opportunity to apply for available FWS positions.

OTHER FEDERAL AID (NOT NEED-BASED)

- **FEDERAL DIRECT PLUS (PARENT LOAN FOR UNDERGRADUATE STUDENTS):** Credit-worthy parents may borrow an annual amount up to the cost of attendance (minus other forms of assistance). A fixed 7.9% interest rate applies for the duration of the loan, although there are no prepayment penalties. (*See p. 7.*)
- **UNSUBSIDIZED FEDERAL STAFFORD LOAN:** This companion program differs from the regular Stafford Loan in that the government does not subsidize the interest. A fixed 6.8% interest rate applies for the duration of the loan, although there are no prepayment penalties.

STATE AID

- **ARKANSAS GOVERNOR'S SCHOLARSHIP:** Awards up to \$4,000 annually to graduating Arkansas high school seniors based on academic achievement, test scores, and leadership.
- **ARKANSAS GOVERNOR'S DISTINGUISHED SCHOLARSHIP (GDS):** Awards up to \$10,000 annually to graduating Arkansas high school seniors based on academic achievement and SAT/ACT test scores, or on National Merit/National Achievement Scholar status. (*See p. 2.*)

- **ARKANSAS ACADEMIC CHALLENGE SCHOLARSHIP:** Awards up to \$5,000 annually to graduating Arkansas high school seniors based on academic achievement and test scores.

To be considered for the state's financial aid programs, graduating Arkansas high school seniors must complete the Arkansas Department of Higher Education's Universal Scholarship Application online at www.adhe.edu. Students who are eligible for the Arkansas Governor's Scholars Program must submit this application by February 1. The application deadline for all other sources of aid, including the Arkansas Academic Challenge Scholarship, is June 1.

Payment Plans

These plans offer alternatives to lump sum tuition payments.

HENDRIX COLLEGE PLAN

Through the College Plan, you can pay your share of the comprehensive fee in two equal installments. Payment for the fall semester is due in early August and spring bills are due in mid-December.

MONTHLY PAYMENT PLAN

Tuition Management Systems' (TMS) Monthly Payment Plan is an easy, affordable way to pay for an education. The TMS Monthly Payment Plan is interest-free. You pay a one-time enrollment fee (\$72 for 2010-11) to participate in the plan. Your monthly payments are determined by your out-of-pocket expenses for each semester. Each semester will have five or six monthly payment cycles, depending on whether you sign up in June or August. To participate, call Tuition Management Systems at 1-800-722-4867, or visit their Web site at www.afford.com.

FEDERAL DIRECT PLUS (PARENT LOAN FOR UNDERGRADUATE STUDENTS)

The Federal Direct PLUS loan program allows parents to help pay for education expenses by allowing them access to additional resources beyond those that the student is eligible to receive. Credit-worthy parents may annually borrow up to the student's cost of attendance, minus other forms of assistance (scholarships, grants, loans, work-study, etc.). A fixed 7.9% interest rate applies for the duration of the loan, although there are no prepayment penalties.
